

UW Bothell Application

Nursing RN to BSN

Personal Statement Prompt

The personal statement is a crucial part of your application for admission and is a required part of your admission file.

Focusing on the following three points, in 400-650 words or less describe your professional plans and goals.

- What inspires your interest in continuing your nursing education in our program?
- Describe your long term professional plans and aspirations.
- How do you feel the BSN will help you towards those goals and/or enhance your nursing practice?

Optional: You may provide anything else you would like the BSN admissions committee to consider, including any additional explanation of gaps in work history or an explanation of weak educational performance.
