

Montana Gray Memorial Scholarship

The Montana Gray Memorial Scholarship is specifically designated for students enrolled in the School of Nursing and Health Studies. A donor created the award in memory and recognition of his longtime and dearest friend Montana Gray.

The purpose of the scholarship is to help a nontraditional student pursuing a Master of Nursing, Master of Science in Community Health & Social Justice, Bachelor of Science in Nursing, or a Bachelor of Arts in Health Studies.

Eligibility:

Any full or part-time student who has been admitted to or is currently enrolled in any of the degree programs listed above may apply. In addition to having achieved a strong academic record, candidates shall have an interest in improving the lives of LGBTQ+ individuals/communities. Financial need will be given strong consideration.
