Timely Warnings

OVERVIEW

All institutions are subject to the Timely Warning requirement of the federal *Jeanne Clery Disclosure of Campus Policy and Campus Crime Statistics Act of 1998*.

POLICY

In the event that a situation arises that, in the judgment of the Campus Safety Director, constitutes an ongoing or continuous threat, a campus wide “timely warning” will be issued as quickly as possible.

PROCEDURE

Depending on the particular circumstances of the crime, especially in situations that could pose an immediate threat to the community and individuals, the Campus Safety Department may employ a number of different mechanisms to notify the campus.
