University of Washington Bothell Administrative Policy CAMPUS CONFERENCE ROOMS POL - 1.1

OVERVIEW

The university has designated several meeting spaces across campus conveniently located in UW Bothell owned and leased buildings. This provides opportunities for Students, Faculty and Staff to meet while conducting university business. The majority of these spaces are furnished with telephones, ethernet and presentation technology such as a video projector or a flat panel display.

- Technology (e-podium, projector, etc.) in conference rooms varies and IT support for the existing presentation technology (as well as any additional requested equipment) might take additional time to secure.
- Personal belongings should not be left unattended in conference rooms at any time. Any items found will be sent to Campus Safety to the lost and found division.
