University of Washington Bothell  
and Cascadia College

## 2021 ACADEMIC YEAR ANNUAL REPORT

The 2021 Academic Year Annual Report of the Campus Design Review Team has prepared for the collocated campus' Chancellor of the University of Washington Bothell and the President of Cascadia College to summarize what campus-impacting projects were reviewed, their source of origination, and their statuses.

## Campus Design Review Team Annual Report [2021 Academic Year]

**Bjong Wolf Yeigh, Ph.D., F.ASME**  
Chancellor and Professor  
University of Washington Bothell

**Eric W. Murray, Ph.D.**  
President  
Cascadia College

### A. Executive Summary

During the 2021 academic year, the **Campus Design Review Team (CDRT)** completed the campus master plan design principal concurrence review of two significant submissions: the shared STEM4 academic building and the new UW Husky Village redevelopment student housing project. The CDRT reports to UW Bothell Chancellor Bjong Wolf Yeigh and Cascadia President Eric W. Murray through recommendations provided through Gowri Shankar, UW Bothell's Vice-Chancellor Planning & Administration, and to Meagan Walker, Cascadia College's Vice President External Relations & Planning. In the third year of the Campus Design Review Team, a campus art review subcommittee has been formed to supplement the Institutional Project Review Process of the Campus Master Plan 2017 update. The subcommittee, referred to as the **Campus Art Review Team (C-ART)**, includes a few members from the CDRT as well as additional student, faculty, and staff members. The C-ART has established a framework to review campus art, including consideration for 'The Ancestors'. Discussions and recommendations of the CDRT have been recorded [online](#) via Canvas and will transition to Teams format before starting the Academic Year 2022.

This Annual Report has been prepared to summarize what campus-impacting projects were reviewed within the period, where these endeavors originated from, and the current statuses of the efforts.

### B. 2010-2021 Charge Letters

Each institution is represented on the CDRT by an executive, co-chair staff, student, and faculty. Three members are from Campus Libraries and Facility Services & Campus Operations; and two other members are ex-officio. From the CDRT, the C-ART subcommittee includes the executives, co-chairs, and one member each from Campus Libraries and Facility Services & Campus Operations. The subcommittee adds a faculty and student from UW Bothell and faculty and staff from Cascadia College.

The primary purpose of CDRT is to maximize the functionality and desirable experiential qualities of the campus, its facilities, and setting. Your service is important as we look to strategically align new opportunities with the Campus Master Plan and help plan a cohesive campus into the future.

The executive team's role is to:

- Identify which project plans warrant the full team's review;
- Participate in review of DR 5- or PDC-led campus designs for master plan concurrence;
- Secure the approvals and consensus of the Chancellor and President.

The full team's role is to:

- On a periodic basis, review smaller project plans for responsiveness to master plan
- Advise the UW Chancellor and the Cascadia College President on project performance to the Campus Master Plan.

Thank you once again for serving our campus in this capacity.

Sincerely,

  
 Bing Wolf Yeigh, Ph.D., I. ASME  
 Chancellor and Professor  
 University of Washington Bothell

  
 Eric W. Murray, Ph.D.  
 President  
 Cascadia College

Dear Colleagues,

Thank you for serving on the Cascadia College | University of Washington Bothell Campus Design Review Team (CDRT). Your contributions will impact our campus for generations.

The CDRT will report to and advise the President of Cascadia College and the Chancellor of UW Bothell regarding project plans that have a temporary or permanent visual and/or functional impact on the campus and surrounding community setting, including historic resources.

**University of Washington Bothell**  
Office of the Chancellor  
1811 N. Campus Way NE  
Bothell, WA 98011  
425.322.2000

The primary purpose of C-ART is to apply these policies to review of permanent and temporary artwork installations that will contribute to the desirable experiential qualities of the campus setting.

The team's role is to:

- On a periodic basis, review artwork proposed for exterior and shared interior common spaces
- Promote artwork that is in harmony with the Campus Master Plan and history, reporting back to the Campus Design Review Team, and
- Advise through the CDRT the Cascadia College Vice President of External Relations and Planning and the University of Washington Bothell Interim Vice Chancellor Planning & Administration on artwork proposals' long-term appropriateness and conformance to applicable external art policies.

Congratulations on your appointment to the Campus Art Review Team subcommittee and thanks for accepting this important responsibility while enriching our campus environment.

Sincerely,

  
 Govind Shankar, Ph.D.  
 Interim Vice Chancellor  
 Planning & Administration  
 UW Bothell  
 Co-Executive for Campus Design Review

  
 Meagan Walker  
 Vice President  
 External Relations & Planning  
 Cascadia College  
 Co-Executive for Campus Design Review

Dear Colleagues:

Welcome to the Cascadia College | University of Washington Bothell **Campus Art Review Team (C-ART)**. The team's mission is to encourage creativity, celebrate artistic expression, and enhance the visual landscape of the context. Your efforts will positively impact the Bothell campus by pursuing artwork that is thought-provoking yet engaging to inspire and engage our community in artistic efforts. The Campus Art Review Team (C-ART) reviews and will report to and advise the Cascadia College Vice President of External Relations and Planning and the University of Washington Bothell Interim Vice Chancellor Planning & Administration on **acquisition and permanent** installation of exterior and shared interior common spaces artwork of our two institutions, consistent with the public art policies.

Including co-executives and co-chairs, the Campus Art Review Team is composed of four members from each institution, a member of campus Libraries, and a member from facility services and Campus Operations. The team will work as a subcommittee of the Campus Design Review Team to consider artwork locations within the context of the Campus Master Plan. In addition, the C-ART will coordinate with respective external agencies including the University of Washington Public Art Commission and institutional art selection entities.

## **C. 2020-2021 Team Meetings**

The Academic Year 2021 Campus Design Review Schedule included five meetings:

*Cancelled CDRT for Jan 7, 2021, and shifted April 18 to March 25.*

## **D. The CDRT and C-ART are Looking Forward to 2021-2022!**

The CDRT and the C-ART will be scheduled between August to September 2021 following a new charge letter which assigns faculty, student, and staff representatives from both institutions. It is anticipated that the forthcoming academic year may include campus master plan review of the Cascadia College Phase 5 siting / pre-design, proposed campus art work and/or memorials, stormwater and farm modifications, and a permanent dragonfly sculpture location. The interim and long-term access between Husky Village Redevelopment (image lower right) and Husky Hall may be considered as plans are developed. [AVD2] Pending in-kind replacement, the relocated Academic Earth Pits and Ancestors sculptures (upper image to right) may not need CDRT consideration under the discretion of the Chancellor of the University of Washington Bothell and the President of Cascadia College.
