How to Declare/Apply:

- The internal application for Pre-major students is available on the [School of IAS Admissions page](#).

Tips for Completing your Application:

- Only use your UW email to sign into the application.
- Run your degree audit before starting your application so you can reference your audit when completing the application.
- Have a copy of your unofficial UW transcript ready and a personal statement ready (if you don't meet the minimum declaration requirements) ready to attach to your application.

Priority Application Deadlines:

QUARTER of entry	APPLICATION OPENS	APPLICATION CLOSES (consult with your Pre-Major advisor if you miss the priority deadline)
Autumn	See IAS Admissions	June 1 (see [School of IAS Admissions page](#) for most current info)
Winter	Web page for most	November (see [School of IAS Admissions page](#) for most current info)
Spring	Up-to-date info	February (see [School of IAS Admissions page](#) for most current info)

Minimum Declaration Requirements:

- At least 45 credits completed
- UW Cumulative GPA: 2.5 minimum UW GPA with at least 2 quarters completed at UW Bothell

Personal Statement:

Students who do not meet the minimum declaration requirements may apply to IAS majors by submitting a Personal Statement (1-2 pages) with their application. Ideally, a personal statement should address:

- The reason(s) why you wish to pursue the major to which you are applying
- Your long term goals and aspirations
- Any special circumstances you would like the Committee to consider

Number of prerequisites that can be in progress at the time of application:

- Classes can be in progress, but application must include a personal statement.
- If the following classes are in progress when you apply, then you will not receive a decision until grades post: BWRIT 134, BWRIT 135, QSR, World Language

Other Important Information for Applicants:

- ***S/NS Grades during COVID-19*** - For any quarter designated as having extenuating circumstances, IAS will consider a S (satisfactory) grade as fulfilling admission requirements, meaning a S grade will not negatively impact your application to the School of IAS.
- Personal statements do matter. Students should address poor grades and major choice.
- Do well in coursework related to major interested and in relevant work.
- Students must take BIS 300 in their first quarter in IAS and also must complete a major orientation.
