- This is a suggested schedule of courses based on degree requirements. The actual degree plan may differ depending on the course of study selected, the number of starting credits, or the starting admission point. Please track your degree audit.
- This guide is <u>not a substitute</u> for academic advising or degree audit (<u>degree audit states all requirements for degree completion</u>). Contact your academic advisor with questions about scheduling, unique interests, or degree requirements.
- Applicants who are generally competitive to Biology will have the following: 1. 3.0 grade in each prerequisite, 2. Cumulative GPA of 3.0, 3. A positive grade trend with few to no repeats.
